

How to Draw A PUFFIN

By Hannah Shaw

err... hello!

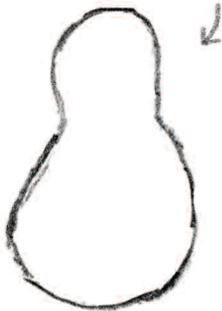

Wait a minute,
you're a raccoon!
I said a PUFFIN...

We have five copies of Hannah Shaw's hilarious picture book *School for Bandits* to give away! It's all about manners, badly behaved raccoons

and is packed full of funny pictures. If you want to be in with a chance of winning, simply draw a puffin in Hannah's style and send it to **Freeport Ptolemy's Pteam HQ** by 31st August.

1. So first of all get a pencil and draw a shape like this (it kind of looks like a potato or a skittle)

2. Next add a beak, tail feathers and legs with feet. (Puffin feet look a bit like duck feet)

3. Then draw the wings and markings

4. Add the eyes (yep two of them) and a happy smile!

5. Now you can go over the pencil in a nice pen and rub all your pencil lines out

You can always add some extra bits to your drawing—mmm... fishy icecream

hi!
(

6. Finally add some colour... and Voila! A puffin!

phew! all that drawing has made me tired! Time to relax...
