

Make a Flying Dragon

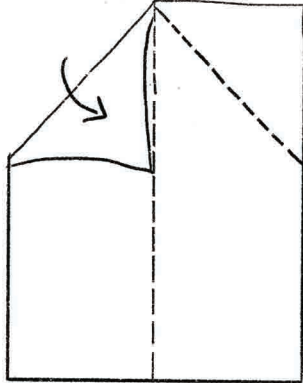

Goldie the dragon appears in *Unipiggle- Dragon Trouble*.
Follow the instructions to make a flying Goldie
or create your own dragon.

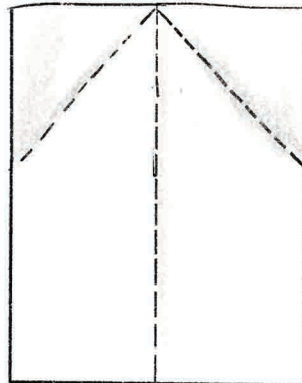

1. Fold A4 paper in half.

2. Open then fold two corners.

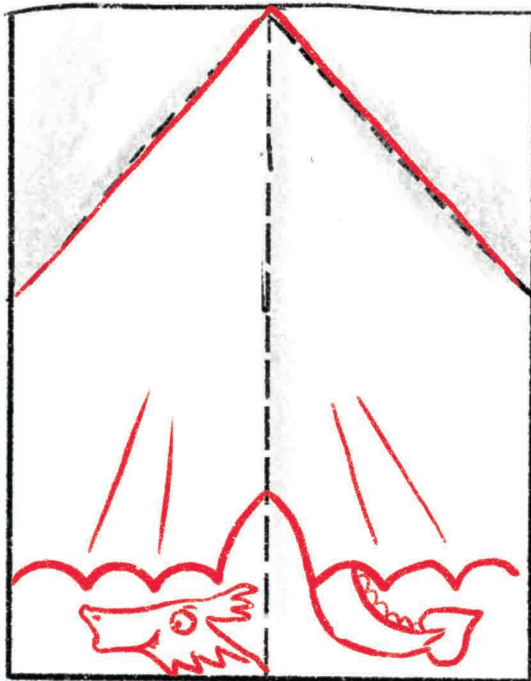

3. Open and turn paper over.

@hannahshawdraws #Unipiggle

Why not get a friend or family member to make one too and see whose flies the furthest? ☆

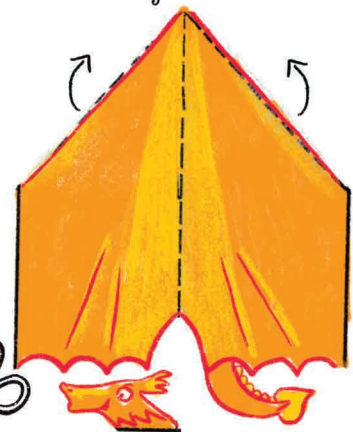

4. Draw a design like this (head separate from body).

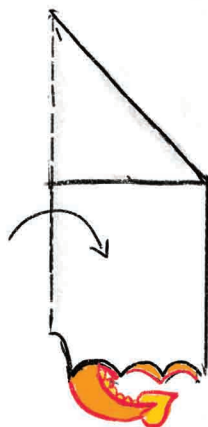

5. Colour then cut around wings & tail.

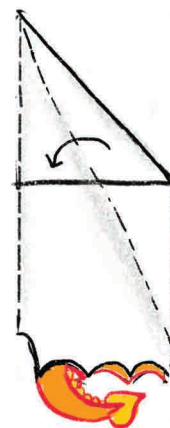

6. Fold corners down again so dragon looks like this.

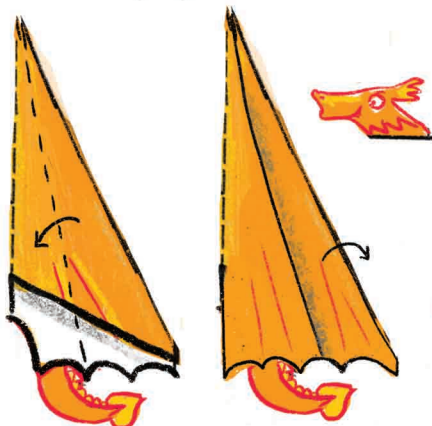

7. Fold in half again.

8. Fold over both sides of wings once.

9. Fold over wings again on both sides.

10. Glue head to inside middle fold and draw on scales and limbs to body of dragon.

Your dragon is ready to fly! ☆
