

# Make 'Flaming' Marshmallows!

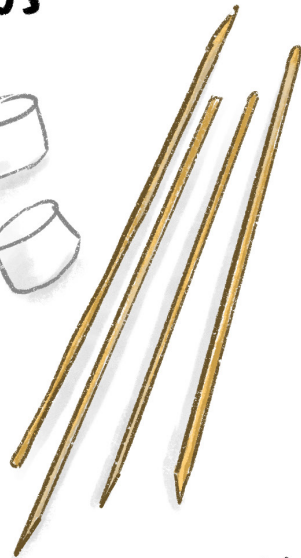

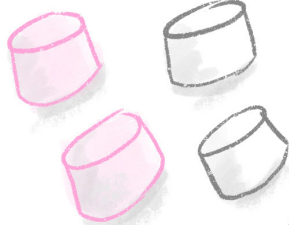

from *Unipiggle - Dragon Trouble*

These Twinkleland sweet treats don't require real flames.

You will need:

Marshmallows

Kebab Sticks

Dried Mango

White or  
milk  
chocolate

1. Ask an adult to help you melt the chocolate in a microwave or a Bain Marie (a heatproof bowl in a pan of simmering water). Be careful of the hot bowl.
2. Slice up the pieces of dried mango into triangular shapes, (you may need to ask an adult to help you to do this with a sharp knife).
3. Push the marshmallows onto the end of the kebab sticks and dip them in the melted chocolate.
4. Stick a few pieces of mango to the warm chocolate around the mallow.
5. Leave until chocolate has cooled and hardened (refrigerate if necessary).

**Yum! Yum!** Why not enjoy while reading a Unipiggle story?

P.S: Remember don't forget to brush your teeth, these treats are super sugary.
