

Mix-up a story challenge

Be inspired by *Unipiggle - Dragon Trouble*

Story writing for Y1-4

You will need:

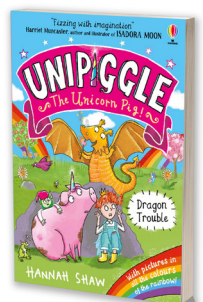

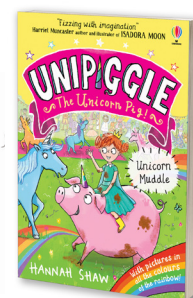

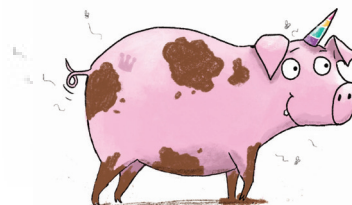

Pencils, pens and paper and a *super-duper imagination*.

Plan out a short illustrated story with *some* or *all* of these ingredients:

A prince or princess	A dragon	A uni-creature
A dinosaur	A unicorn	A marshmallow tree
A chocolate volcano	A royal palace	Lots of mud

Remember you'll need to mix in some magic, fun, suspense, humour and adventure! What will your invented uni-creature be?

Illustrations are important too, make sure the pictures tell some of the story. Print off the story grid to help you plan. You can choose to make a comic or a mini book.
